If your client elects the increasing death benefit option on a non-medically UW QoL Max Accumulator+ policy, over time you can grow their policy benefit far beyond its maximum face amount.

“Non-Medical Underwriting” or “Non-Med” as described in this document, means that no in-person paramedical examination will be required of a life policy applicant.

1. Our underwriting team renders a decision based on the submitted applications, declarations of Part A and B, supplementary forms, and results of various database searches. Substandard classes are only available through Table E. Note that Table A and B are included in the standard rate class. Table C, D, E are included in the Table D rate class.
